

## NANS FUND SCHOLARSHIP FOUNDATION

The NANS Fund Scholarship Foundation wants to thank everyone who participated in the Book and Baby Items Sale on May 6th. We appreciated the use of the space of the Whispering Pines Community Center for the sale. The foundation raised a total of \$297.75 that will be used for scholarships in the nursing programs.

## MOTHER'S DAY TEA

On Friday, May 7th, the Whispering Pines Community Center at Calhoun County Medical Care Facility was transformed into an elegant tea party setting. Staff spent the morning preparing the room and decorating with many old donated hats, jewelry and tea pots. Residents and their daughters, granddaughters, great-granddaughters or other special women in their lives were invited to an afternoon of friendship, tea and cookies. A student brass quintet from Battle Creek Academy provided music while ever one was served from an assortment of fresh baked goods. Those in attendance left with smiles on their faces, as well as a few goodies in appreciation of being a mother. Photographs were taken, framed and given to interested residents and their loved ones. Pictured are resident, Betty Frederick with her daughter-in-law and granddaughters.

## CELEBRATION GARDEN

A garden has blossomed in the center hall of Calhoun County Medical Care Facility. Based on the Eden Mitzvah (the act of leaving an anonymous note thanking a person for sharing kindness with others), the Eden Core Committee wanted to plant a garden of thanks on the windows of our Administrator's office. We encourage everyone to stop and gaze through the garden and read the notes of gratitude. If you happen to catch someone in the act of kindness, please plant a flower of thanks!

## GOLDEN GIRLS ON THE MOVE

Southern Exposure was the scene of a lovely lunch on April 26th. The weather was just right, the sun was shining and a slight breeze was blowing. Fresh flowers colored the ground every where we looked. The Golden Girls and their daughters were treated to a specially prepared lunch including chicken salad and fresh fruit. We enjoyed the most wonderful chocolate cake and were

even able to eat the flowers! We would like to thank the wonderful staff of Southern Exposure, Curtis and Bernie and our Golden Girls' daughters for all their help. We hope you enjoyed lunch as much as your mothers and grandmothers did.
