John and Vita Sajtar

John and Vita are members of St. Philip Catholic Church where they attend Mass almost every morning followed by breakfast with several of their church friends. They have been bringing Holy Communion to our Residents who are no longer able to attend Mass every Sunday for the past 25 years.

John and Vita commented that “as a result of their ministry, they have met many very nice residents, their family members and staff members at Calhoun County Medical Care Facility.”

This amazing couple have been married for 20 years and between the 2 of them, they have 6 children, 8 grandchildren and they are expecting their first great grandchild in June!

In their spare time, John and Vita enjoy traveling to historical sites in the U.S, as well as attending an annual fishing trip to Michigan’s Upper Peninsula. They also help at their Parish by assisting with funeral lunches and are both ministers of Holy Communion at Church, as well as for the sick and the homebound. John serves as a lector at weekend and daily masses. Many of their friends and family members know they can count on them to help with home repairs or transportation. Vita retired after 40 years as an R.N and John after 41 years as a machinist.

John and Vita are valued members of our community and we are thankful for their time and devotion to Calhoun County Medical Care Facility.
