NATIONAL ADULT DAY CARE SERVICES WEEK (September 20th- 26th)

“Rooted in Purpose ~ Ready for Tomorrow”

Annually, the third week of September is recognized nationally as Adult Day Care Services Week, which was proclaimed on September 27, 1983, by former President Ronald Reagan. Adult Day Care Services Week is celebrated to raise awareness of Adult Day Care programs and services that are available nationwide for frail adults, Dementia, Alzheimer’s, and persons with disabilities.

This year's theme, “**Rooted in Purpose ~ Ready for Tomorrow**”, celebrates the strong foundation of our industry while looking ahead to the opportunities, challenges, and innovations shaping the future of adult day services.

The Center plans to celebrate Adult Day Care Services Week offering tours of the Center, Monday-Friday, from 8am-4pm, along with enjoying some community outings with the participants.

The Center is also planning to increase public awareness and support with their “**Caring Beyond Limits ~ Fund Campaign**”. Funds are needed for our scholarships, program and services, and building improvement. With your help, we can continue to make a meaningful difference. Supporting our program and services helps the person living with a disability receive personal care, and socialization, while at the Adult Day Care Center. Also, it supports those family members or other caregivers needing respite.

Center Closings, Inclement Weather, and Transportation

Listed below is some helpful information about Center Closings/No Transportation on Bad Weather Day(s).

- Remember to keep your driveway, sidewalks, and ramps salted and plowed. This will allow us to escort and transport the client safely.
- Bad Weather Days! Our policy is as follows...If schools are closed (primarily Battle Creek Public and Lakeview Schools), we will not be able to provide transportation to and from the Center. If the Center decides to remain open and not provide transportation, a staff person will call clients/caregivers to identify who will be self-transported to and from the Center. Note: If the above school districts were previously scheduled to be closed, then the Center will base our decision to not provide transportation and/or closings based on other community transportation/service providers.
- WWMT currently no longer sends Text notifications that our Center is Closed. However, you can still receive notifications regarding closings through the News Channel 3 app. Please see more information below.
- Cancellation Policy—Please call (269) 962-1750 to cancel at least 24 hrs in advance. We understand that uncontrollable circumstances do happen, so feel free to leave a message at any hour of the day. We check messages at 7:45am, M-F. Or email the following staff below. Note: If you choose to send an email notification, please include ALL of the email addresses below to ensure that a staff person receives the cancellation.

Volunteer Spotlight

Joyce

Joyce is a member of our Adult Day Care Advisory Board. She has served on the Advisory Board for several years. While at the Center she enjoys hearing the stories that the participants share and seeing the care the staff, and volunteers give. Outside of serving as a volunteer on the Advisory Board, Joyce enjoys going to church. She also loves gospel music. When asked about the benefit of volunteering, Joyce said; "It's a joy and an opportunity to give back to your community; to pay it forward". Thank you for all that you do. We appreciate you!

Each September, we recognize World Alzheimer's Month

Early signs and symptoms of Alzheimer's or Dementia are often mistaken for normal signs of aging. Knowing the differences is essential for early detection, which may provide some relief of symptoms and help those affected maintain independence longer.

What are the differences?

Typical Age-Related Changes

Making a bad decision once in a while.

Missing a monthly payment.

Forgetting which day it is and remembering it later.

Sometimes forgetting which word to use.

Losing things from time to time.

Signs of Alzheimer's and Dementia

Poor judgment and decision-making.

Inability to manage a budget.

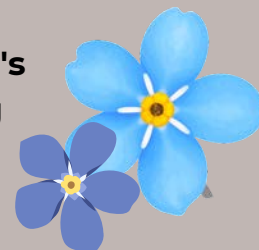

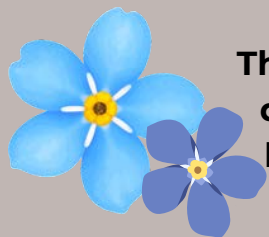

Losing track of the date or the season.

Difficulty having a conversation.

Misplacing things and being unable to retrace steps to find them.

If you notice any of the warning signs of Alzheimer's and Dementia in yourself or someone you know, don't ignore them. Schedule an appointment with your doctor.

The forget-me-not flower is a powerful symbol for Alzheimer's disease and dementia. It represents memory loss, enduring love, and the vital need to remember those affected by the condition, including patients, families, and caregivers.
